Chain Bag POWERTEX

Product information

POWERTEX Chain bags are durable and designed to be easily mounted to chain blocks. They can contain up to 10 meter of chains.

- Universal - Fits many brands and models of chain hoists in the market
- Easy to mount without dismantling the hoist
- Comes in two different sizes
- The chain bags can be combined with POWERTEX Chain Block – both Blackline BK and standard S1 and S2 versions.

Blackline BK products are suitable to be used in theatres and entertainment industry.
