Lashing Claw Forankra VL500

Product information

Forankra
Secures everything in transit™

The heavy duty VL500 claw hook ratchet lashing is a two part assembly with a 5000kg rated break force. It features: a double locking long wide handle ratchet, claw hook end fittings and is produced using blue 50mm width high tenacity polyester webbing.
Lashings are available from stock in a range of lengths: 4m, 6m, 8m, 10m and 12m. As one of the country's leading load restraint manufacturers the Company is also pleased to offer a bespoke service that can quickly produce lashings with alternative; lengths, end fittings, ratchets or webbing to order. Webbing can also be customer printed with your company logo or other design.
