# Quick Release Piling Shackle

**Product information**

When you hire a piling shackle from Lifting Gear UK, you can rest assured that you will be using a piece of equipment that is designed to get the job done quickly and effectively.
There are Four different Working Load Limits available 2T, 3T, 5T and 10T.
It is equipped with a quick release mechanism that allows you to easily pitch piling sheets.
In order to maintain health and safety working practices, every piling shackle from Lifting Gear UK is certified
and is clearly marked with the manufacturers mark, size, ID mark and Working Load Limit.
For more information about this piece of equipment, please get in touch with our hiring team.
