

## Cargo Securing

Certex also offer a full range of stocked cargo lashing equipment, tarpaulins, rope and truck and body building equipment. These items are commonly used in all forms of transport from road, rail, air and sea for the safe movement of cargo.

For more information or to shop the products online head to our cargo securing website at [www.forankrapritchard.co.uk](http://www.forankrapritchard.co.uk) or fill on our contact form below.
