

Steel Wire Rope

Certex offer a broad spectrum of high performance ropes ensuring a viable solution to your lifting needs covering

- Crane ropes
- Elevator ropes
- Stainless steel ropes
- Nuclear working environments ropes
- Small Cords
- General Engineering ropes
- Fibre Rope
- Mooring Systems

Through understanding the needs of the market place we offer the flexibility to suit your requirements:

- Off the shelf availability
- Same day delivery
- Quality assured
- Competitive prices

Our extensive stock combined with industry experience ensures we can supply to a vast and varied range of applications, from tower cranes, crawler cranes and container cranes, through to specialists and bespoke wire rope assemblies for technically sensitive working environments (e.g. Nuclear, controlled areas etc and the MOD - Ministry of Defence).

All products in our range are selected to meet the quality requirements of the latest European legislation. You can be safe in the knowledge that our products exceed the safe and operational demands of use.
