## Elephant

Elephant Lifting Products is proud to be family owned and operated. We are committed to introducing the finest quality manual chain hoists, electric chain hoists, pneumatic chain hoists, and applied products.

These products will be promoted and serviced by honorable distributors that are dedicated to the shipyard, petrochemical, power, pulp / paper, construction, mining, offshore, and automotive industries. Elephant products will give our customers the assurance of satisfaction, through performance, during and after each job. We will serve you from our home in Louisiana.
