

Position Line P0031

POWERTEX

Work positioning ropes are for getting into the right working position. The core-sheathed ropes can withstand extreme edge loads, are resistant to abrasion, remain soft in damp conditions and feature a long service life. It is easy to adjust the P0031 range with self-locking carabiners with one hand.

Hand wash up to 40°C.

Marking: According to standard, Supplier symbol, product id, art no, serial no, production year, standards, max. load, CE.

Temperature range: -35°C to +45°C.

Standard: EN 353-2 + EN 358
