Product information

Swivel Hoist Ring HR-125 UNC (HR-125 UNC) is a high quality, heavy duty, swivel hoist ring, made from high strength steel, with a polished finish. It is designed for use with a range of lifting equipment, including chain hoists, wire rope hoists, and overhead cranes. The ring is available in two sizes, 125mm and 150mm, and is suitable for use with a range of lifting capacities, from 1000kg to 10000kg. It is a robust and reliable component, designed to provide a safe and secure lifting solution for a wide range of industrial applications.
