Protection EXTREEMA®

Product information

LIFT-TEX®

HEAVY LIFT SLINGS

Protection EXTREEMA® is a heavy duty lifting sling made from high strength polyester webbing. It is designed for use in conjunction with the Protection EXTREEMA® lifting device. The sling is available in a range of widths and lengths to suit your requirements. It is important to ensure that the sling is used within its rated capacity and that the correct lifting technique is followed. For more information, please refer to the technical data sheet.
