Enter your contact details on our **Contact Form Now**

Our specialist Forklift Truck training department can guide you to the right solutions for you. Enter your details below for a quick enquiry.

Certex are an ITSSAR Accredited trainer. The Independent Training Standards Scheme and Register ([ITSSAR](#)), formed to offer accreditation to training instructors and organisations supplying industrial truck and construction training services to industry. View our [Forklift Truck Training Accreditation](#) page for more information.

Refresher Training

Certex recommends that refresher training is carried out once every three years from expiry of the initial training and no longer than 5 years. To ensure drivers keep up to date with current training techniques and legislation.

Training Card & Certificates

Certex offers an A4 Certificate, which states the ITSSAR accreditation. Certex doesn't currently offer a training card.
