Rigging Loft Management

This course provides delegates with greater knowledge and understanding of the legal and practical requirements of running and controlling a rigging loft onboard an offshore or onshore based workplace.

The course is considered suitable for those having little or no knowledge of rigging loft management, as well as those more experienced individuals wishing to update their certification. The course also includes basic maintenance and inspection of loose lifting equipment generally found in all rigging lofts.

Book Now!

ADDITIONAL INFORMATION

Each course delegate will be expected to complete a short theory test and practical examination to demonstrate a good understanding of the course contents. If successful, a certificate will be issued. This will help the Employer to address certain legal requirements by being able to demonstrate employee competency. A detailed course handout is also provided for future reference.

DURATION

The standard course is intended to last 2 days. Bespoke courses can also be discussed upon application.

LOCATION

The course is generally held at our Head Office at Harworth, however we are also able to utilise other Certex locations, or hold courses at Client premises if adequate facilities are available.

WHAT DELEGATES WILL NEED TO BRING

Each delegate is required to produce photographic ID on the first day of the course. Failure to do so will result in the delegate being unable to attend.

If this course is held at a Certex UK location, safety footwear is required however, if the course is to be held on a Client's site, additional PPE may be also be required as specified by the Client's site safety rules.

FURTHER COURSES & INFORMATION

Certex UK offers a range of standard training courses as detailed on our web site and bespoke training courses can be tailored to suit your specific needs. Many of our standard courses are [LEEA](#) certified. For further information or to discuss your requirements in more detail, please contact our Training Team on [01302-756-777](tel:01302-756-777) or email training@certex.co.uk
