

TR14 - LEEA LIFTING AND SLINGING - 2 DAYS

COURSE AIM

The specific aim of this course is to provide crane users with safe techniques for slinging and lifting operations.

Although a basic course, the content is quite substantial and covers the following areas: -

- Current Legislation
- Equipment Selection
- Banksman Duties and Signals
- Pre-Use Inspection and Safe Use
- Sling Angles
- Planning of Lifting Operations
- Load Calculations
- Risk Assessments
- Sling Configurations
- Load Security

Each course delegate will be expected to complete a short theory test and practical examination to demonstrate a good understanding of the course contents. If successful, a certificate will be issued. This will help the Employer to address certain legal requirements by being able to demonstrate employee competency. A detailed course handout is also provided for future reference.

DURATION

The standard course is intended to last 2 days. Bespoke courses can also be discussed upon application.

LOCATION

The course is generally held at our Head Office at Harworth, however we are also able to utilise other Certex locations, or hold courses at Client premises if adequate facilities are available.

WHAT DELEGATES WILL NEED TO BRING

Each delegate is required to produce photographic ID on the first day of the course. Failure to do so will result in the delegate being unable to attend.

If this course is held at a Certex UK location, safety footwear and a hard hat is required however, if the course is to be held on a Client's site, additional PPE may be also be required as specified by the Client's site safety rules.
