

TR51 - LIFTING EQUIPMENT EXAMINATION - 2 DAYS

COURSE AIM

The aim of this course is to provide an overview of the examination of in-service lifting equipment as required by the Lifting Operations and Lifting Equipment Regulations (LOLER). Additionally, the course reviews the requirements of the Provision and Use of Work Equipment Regulations (PUWER) and any other relevant legislation. It also looks at the documentation required and various inspection techniques used.

Although a basic course, the content is quite substantial and covers the following areas: -

- Runway Beams and Padeyes
- Beam Clamps & Trolleys
- Shackles
- Wire Rope Slings
- Eyebolts
- Lifting and Pulling Machines
- Jacks
- Lever Operated Chain Hoists
- Chain Blocks
- Webbing and Round Slings
- Chain Slings
- Plate Clamps
- Rigging Screws
- Swivel Hoist Rings
- Wedge and Wedge Sockets

Each course delegate will be expected to complete a theory and practical examination. If successful, a certificate will be issued. This will help the Employer to address certain legal requirements by being able to demonstrate employee competency. A detailed course handout is also provided for future reference.

DURATION

The standard course is intended to last 2 days but for an experienced Lifting Equipment Examiner who holds a valid or recently expired certificate, a 1 day refresher can be attended. Bespoke courses can also be discussed upon application.

LOCATION

The course is generally held at our Head Office at Harworth, however we are also able to utilise other Certex locations, or hold courses at Client premises if adequate facilities are available.

WHAT DELEGATES WILL NEED TO BRING

Each delegate is required to produce photographic ID on the first day of the course. Failure to do so will result in the delegate being unable to attend.

If this course is held at a Certex UK location, safety footwear is required however, if the course is to be held on a Client's site, additional PPE may be also be required as specified by the Client's site safety rules.

FURTHER COURSES & INFORMATION

Certex UK offers a range of standard training courses as detailed on our web site and bespoke training courses can be tailored to suit your specific needs. Many of our standard courses are LEEA certified. For further information or to discuss your requirements in more detail, please contact our Training Team on +44 (0) 1302 756777.
