

# TR53 - CARGO CARRYING UNIT (CCU) CONTAINER PRE-TRIP INSPECTION - 1/2 DAY

#### COURSE AIM

The specific aim of this course is to provide experienced people with the necessary techniques for inspecting offshore containers prior to shipment.

Although a basic course, the content is quite substantial and covers the following areas: -

- Current Legislation
- Example Documentation
- Shackle Inspection
- Marking of Lifting Equipment
- Container Structural Faults
- Wire Rope Sling Inspection

Each course delegate will be expected to complete a short theory test and a practical exercise to demonstrate a good understanding of the course contents. If successful, a certificate will be issued. This will help the Employer to address certain legal requirements by being able to demonstrate employee competency. A detailed course handout is also provided for future reference.

### DURATION

The standard course is intended to last for a 1/2 day. Bespoke courses can also be discussed upon application.

## LOCATION

The course is generally held at our Head Office at Harworth, however we are also able to utilise other Certex locations, or hold courses at Client premises if adequate facilities are available.

### WHAT DELEGATES WILL NEED TO BRING

Each delegate is required to produce photographic ID on the first day of the course. Failure to do so will result in the delegate being unable to attend.

If this course is held at a Certex UK location, safety footwear and wet weather clothes are required for the practical, however, if the course is to be held on a Client's site, additional PPE may be also be required as specified by the Client's site safety rules.

### **FURTHER COURSES & INFORMATION**

Certex UK offers a range of standard training courses as detailed on our web site and bespoke training courses can be tailored to suit your specific needs. Many of our standard courses are <u>LEEA</u> certified. For further information or to discuss your requirements in more detail, please contact our Training Team on +44 (0) 1302 756777.
